## **Jemez Springs, NM featured as one of Top '50 Best Spring Getaways' in *Men's Journal***

JEMEZ SPRINGS, NM — The Village of Jemez Springs was featured as one of the top “50 Best Spring Weekend Getaways: Mini Vacations Worth Exploring” in the most recent issue of *Men's Journal* magazine.

“We are happy to share what us locals have always known about Jemez Springs - that it is the best place to unplug, reconnect and soak in the beauty and experience you'll have here,” said Jemez Springs Mayor Roger Sweet.

The article says of Jemez Springs, “most accommodations in Jemez Springs are dedicated to helping you unplug...” The article mentioned businesses: Cañon del Rio Resort, Jemez Springs Bath House and Jemez Hot Springs.

*Men's Journal* chose Washington, D.C as the top pick in their “best spring getaways” list, with Jemez Springs falling in the top 20 (#19). *Men's Journal* chose their picks based on “best places to head for a quick getaway, especially one that doesn't require missing more than a day of work.”

*Men's Journal* has a print audience of 5 million subscribers and has 4.7 million unique monthly visitors. The article may be read at: <https://www.mensjournal.com/travel/best-spring-weekend-getaways/19-jemez-springs-nm/>

In the past few months, Jemez Springs has been featured prominently in national and regional publications including: *Denver Post*, *5280 Magazine*, *AAA New Mexico Journey*, *New Mexico Magazine*, *Smarter Travel*, and *Go World Travel* to name a few.

Jemez Springs is located less than an hour northwest of Albuquerque along the Jemez Mountain National Scenic Byway Trail.
